GAVE HER A SHOW

Mrs. Emily Howard Allowed to Produce Testimony.

REGARDING HER TWO CHILDREN

Says She Will Prove That She Did Not Starve or Ill-treat Them.

Mrs. Emily Howard, whose children were ordered sent to Coldwater, will have another hearing on the case tomorrow afternoon. Mrs. Howard complained to Judge Perkins that she was not satisfied with the hearing she had been given and wished to put in some evidence against those who had testified against her. Judge Perkins informed her that she should be given a full hearing and he would hold the case open until Monday to allow her to bring her witnesses from Dutton. The children are in the U. S. A. home, pending investigation. It is claimed by the prosecuting attorney that he did not produce evidence of the worst phase of the woman's character, and that he will be able to show that she has allowed the most degrading immorality among the children and that she has actually been intimate with her own son. The case will, it is supposed, be very interesting.

To Divide the Property.

L. H. Withy, guardian of Fred H. Leonard, filed a petition in the circuit court asking that the share of the H. Leonard Bros. and company's property belonging to his ward be transferred to Fred according to the terms of the report of the commissioners appointed by the probate court. Mr. Withy asked that Anton G. Holmberg be appointed special guardian for the purpose of making the transfers. Mr. Holmberg to give a bond in the sum of \$20,000 for the faithful performance of his duties.

C. A. Hall, L. G. Fudge and George C. Devereux, the commissioners appointed by the probate court, recommended that Fred Leonard receive the property known as Nos. 20 and 21 Monroe street, lot Nos. 1 and 2 Kent plot on Spring street, that C. H. Leonard and Frank Leonard purchase of Fred his share in lots 1, 2 and 4 Kent plot on Spring street, and in his refrigerator factory. The petition asks that the court order a transfer of the above named property as recommended by the commissioners. The petition states that he believes that C. H. Leonard and Frank Leonard are ready and willing to make the transfers as asked in the petition.

Claims Against the Skinner Estate.

Mary Dewley, daughter of Reuben Skinner, filed a claim of \$100 against her father's probate court. Mr. Skinner is the only son from Rockford, who about a year ago attempted to kill his wife and mother for the offense, but she proved to be a healthy woman. In her petition she asks for a bill of sale for the property she claims. Mrs. Dewley says her father gave her a promissory note of \$100 in 1888, stating that he thought he would be that amount. She says she has not seen the note since that time. She asks for a bill of sale for the property she claims. Mr. Skinner's attorney and guardian,

also filed a bill for \$207.50 for services rendered in defending the criminal case against Mr. Skinner and in defending his rights in a chancery case involving his property.
